MANAGING ENERGY

Keeping Participants Engaged

Level 3 energy students are awake and fully engaged.

Level 1 energy participants are struggling to stay awake; little to no engagement.

Level 0 energy is reflected in zero attention and zero engagement.

“Sleepy Time”

Time for an ENERGIZER!

DEBRIEFING

Drawing Out Teachable Moments

THE FACTS

- *What happened?*
- *What did you see?*

INTERPRETATION

- *What does it mean?*
- *How does it connect with the lesson topic?*

APPLICATION

- *How does this transfer to your life?*
- *How can you apply this new knowledge?*
